

Become an International Student Friendship/Conversational Partner

International students at local colleges and universities desire an opportunity for English conversation and friendships with Americans. Many international students feel isolated and never meet an American friend.

You can have an eternal impact globally by meeting international students at monthly “friendship meetings” and activities or by meeting one-on-one with an international student twice a month as a Conversation Partner.

Volunteers will be equipped in cross-cultural friendship skills and conversational techniques.

**INTERNATIONAL
STUDENTS
INC.**

Requirements for volunteers include:

- Over 18 years of age (under 18 can be involved with another family member older than 18).
- Desire to meet friends from another culture.
- Participate in one equipping session (one hour long).

**Interested potential volunteers
should contact:**

Andy Pearce

ISI Southern California Area Director

andy.pearce@gmail.com

**to schedule a required
equipping session.**
